

## **Anne Shehab, Managing Director, Golden Seeds**

Anne Shehab is Managing Director of Golden Seeds, and an active angel investor. She co-leads the life science investing for the group. Prior to this, she led all business strategy and M&A activities for the fastest-growing division of DuPont, including development and implementation of top-line growth strategies, and portfolio management of the platform SBUs. Before joining DuPont, Anne was VP, Business Development, of Valeritas, an advanced drug delivery start-up, where she spearheaded multi-million dollar alliances with major pharma companies. Anne has held senior leadership positions in strategy, marketing and M&A at big pharma and medical device companies. She holds a Ph.D. in Chemical Engineering from Rice University and an MBA from the University of Chicago.
