Why should a business student intern abroad?

Because today businesses are running globally. You need to get intercultural tools and global awareness in order to open to new markets and opportunities.

Why Chile?

- Santiago is a vibrant metropolis and the safest capital in Latin America.
- Chile is a politically- and socially-stable country.
- Chile's economy is rapidly growing and is ranked #1 in Latin America in terms of competitiveness.
- Chile is fun! it has unique natural landscapes: The Atacama desert, beaches, ski resorts, vineyards, Easter Island, lakes and the Chilean Patagonia.
- English-language placements available.

Internship for TCNJ business students are available in the following areas:

- Investment Banking
- Finance
- Social Business
- International Business
- Business Management
- Small Business / Entrepreneurship
- Marketing

We are aware that everybody has different **personal, academic and professional goals** and needs. We will do our best to identify opportunities to fit each candidate's objectives.
