## ACADEMIC ADVISING TIPS:

1. **Reach out to your advisor** well **before** the registration window. If you wait, you might not be able to meet with them prior to your enrollment appointment time.
2. **Be prepared!** Prior to your meeting with your advisor, you should have reviewed your PAWS, Academic Requirements Reports and planned potential courses (add them to your Shopping Cart.)
3. Advising is more than preparing for registration. Ask questions about more than just your major requirements and course planning. What are you **interested in pursuing** (i.e. internships, minors, study abroad, research opportunities.)
4. If you have an **advising hold**, be sure to let your advisor know, as they can remove it after an appointment has concluded. If you are an **EOF student**, you also will have an **EOF advising hold**, please meet with them to have those holds dropped as well. Please encourage them to add comments in your PAWS account.
5. **Stay in touch with your advisor** and follow up as needed. They are here for your success and remember advising is not limited to just registration related topics. They are here to help you see your aid in your development.

# REGISTRATION PREP

- ☐ **Check** your enrollment appointment day/time (see the right side of your Student Center, click on “details” for the time).
- ☐ **Resolve** any advising/registration holds on your account. All business majors whose GPA is below 2.5 and all Junior Undeclared-Business students currently have an advising hold on their accounts. You must meet with your advisor to have this hold released.
- ☐ **Review** your Academic Requirements Report on PAWS alongside your Major Check Sheet.
- ☐ **Plan** your fall schedule keeping in mind future semesters. It’s important that you are satisfying prerequisite(s) for additional coursework.
- ☐ **Build** your shopping cart with potential courses (and plenty of backup options).
- ☐ **Validate** the courses in your shopping cart to make sure you have satisfied all the prerequisites for your selected courses.
- ☐ **Connect** with your advisor to schedule an advising appointment.
- ☐ **Register!** As soon as your enrollment appointment opens up, register as soon as possible.

## COURSE WAITLIST CHANGES FOR FALL 2025

- Course waitlist will now be available in PAWS - Pilot Program.
- Waitlisting a class does not guarantee enrollment.
- There are a limited number of spots available for classes with a waitlist option’
- Not all classes will have a waitlist option - it is at the discretion of the academic department.
- Students are limited to the number of waitlists they can join depending on academic program.
- Waitlisted sections will appear in student’s class schedule but noted as “Waiting”.
- Students will not be able to put themselves on a waitlist if the following criteria are not met - ***Appointment, Hold, Department Consent, Unit Load, Requisites.***
- **SWAP, Don’t DROP** - If students enroll in one section and wish to waitlist another section, use the swap function. This will retain the enrolled section and only enroll students in the waitlisted section if a spot becomes available.
- If students waitlist one section of a class and enrolls another section of a class, the waitlisted section will automatically be removed from their schedule.
