School of Business Innovation/Flex Space

Thank you for all of the submissions to help us name the new innovation/flex space (Room 17). The winning submission, "The Lions Launchpad for Innovation" was submitted by sophomore, Management major, Isabella Pitarresi! Congratulations & Thank You Isabella! See below for information on using the new space.

Career, Professional Development & Leadership Opportunities

Preparing for your Internship or Job Search Workshop: Join the TCNJ Career Center on Tuesday, November 18th at 11 am in Roscoe West (Room 144) for a workshop that will review tips and strategies for conducting your internship and/or job search, including resources to help support you during this process. More information can be found on [Handshake](#).

Pricing and Productivity: The Economics of AI: Please join us on November 17th at 10 am PST for a live discussion on the economics of AI and its impact on pricing and productivity with Jacob LaRiviere, chief economist at Amazon Web Services (AWS), and Sylvain Leduc, director of economic research at the Federal Reserve Bank of San Francisco. Our speakers will address new AI technologies and their evolving impact on business strategy and the customer experience, with a focus on how firms can use AI to understand patterns in the data. This is a virtual event, open to everyone. It will be live streamed and available as a recording after the event. We invite you to [register and submit a question](#).

Morgan Stanley Research: AI and Disruption: Learn how professional stock analysts do their research, craft their thesis and pitch a stock, using real world case studies. Ever wonder how AI has become the most talked about phenomenon in the stock market? Or why it's disrupting businesses from software to the way cars are sold and why humanoid robots may become the next big investment idea? Please join members of the Morgan Stanley equity research department on Tuesday, November 18th at 5 pm for an introduction to how professional stock analysts do their job, from crafting an investment thesis, to building models and valuing stocks. Register [here](#).

Marketing IRL: Behind the Brand at Hilton: Ever wonder what it's like to bring big ideas to life in Marketing & Loyalty at Hilton? Join us Tuesday, November 18, 2025 at 4 pm for a virtual fireside chat with both corporate and property Team Members as they pull back the curtain on their day-to-day work, creative campaigns, and the impact they make across the business. Whether you're exploring opportunities or just curious, this session is your front-row seat to all things brand, strategy, and guest experience at the #1 Best Place to Work in the U.S. [REGISTER TODAY!](#)

Are You Looking for a Python Course?

If you are looking to take a Python course, [CSC 120 - Foundations of Computational Thinking](#) is the class for you! It will be offered in Spring 2026. This course covers Python and is great for anyone looking to go into Data Science.

Mayo Business Plan Competition

Mayo Business Plan Competition
Your Idea. Your Future. Your Competition.

Why should you sign up & compete in the Mayo Business Plan Competition?

Grow & Learn: Remember that idea you had? The one you couldn't stop thinking about? Now is your chance to turn your creative ideas into a real-world business!

- Real world experience
- Networking connections
- Mentorship opportunities
- Professional skills enhancement

The Experience: Learn the ins-and-outs of industry and how to manage team dynamics, become a better critical thinker, and collaborate with other entrepreneurs!

"Without exaggeration, the business plan competition was the hardest and best thing I did. It played a huge role in helping me become a better critical thinker and more well-rounded business associate."

The Prize Money! A total of **\$60,000** will be awarded!

Resources Available:

- Mentors: The Mayo Business Plan Competition provides access to a team of mentors.
- Workshops: Several workshops are available to help you develop your business plan, pitch deck, and presentation.
- SBDC: SBDCNJ at TCNJ: The Small Business Development Center right on campus is here to help guide you.
- Other Resources: Business plans, pitch decks, and presentations are available for review and feedback through the competition, and more resources are available on the competition website.

Get Your Team Registered Today!

Team registration closes on December 12th at 11:59 pm

<https://mbpc.tcnj.edu>

Why Should You Register for the Mayo Business Competition?

The obvious answer is.... **\$60,000** in total prize money! Right? There is so much more students can get out of participating that is even more valuable!

The competition schedule, resources, and additional details can be found on the website at <https://mbpc.tcnj.edu>. Questions?? Email horners@tcnj.edu.

Distinguished Speaker Series: Jaron Lanier

***Tuesday, November 18th at 4 PM
Mayo Concert Hall***

Jaron Lanier is a technologist & futurist who has written extensively on the impact of technology on society.

On Tuesday, November 18th, he plans to discuss the themes in his latest book, *"Why You Should Delete Your Social Media Accounts Right Now."* With the impact social media has had on politics, civil discourse, and critical thinking, this promises to be a fascinating discussion. Open to the TCNJ community.

There is also a special, student-only Q&A session on **Tuesday at 1:30 PM.** [Registration](#) is required.

A person we
need to hear from
